

MY SAFE ROAD COMPANION

LEAVE NO ONE BEHIND

The text comprehensively explains the fundamental objectives established by the United Nations within the framework of the Sustainable Development Goals to make the world a more livable place. The materials present concrete solution strategies for vital issues such as ending hunger, quality education, gender equality, and climate action. Furthermore, the goals under seventeen main headings that directly affect social well-being, such as ensuring justice, reducing inequalities, and access to clean water, are detailed. Overall, these contents serve as a universal roadmap for protecting our planet and building a fair future for all humankind. Ultimately, these resources aim to increase social awareness for a sustainable economy and a healthy ecosystem.
