Going to the park was a great idea.

Look, the light is green.

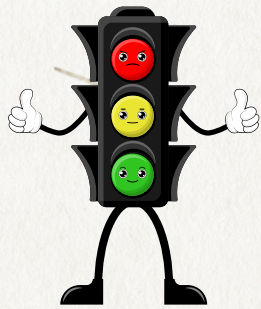

Be careful. A big truck. The driver might not see us.

These vehicles are very big. That is why drivers may not see you.

Big Vehicles
Cannot See
You

If you cannot see the driver, it means the driver cannot see you.

Take 4 or 5 big steps away when walking past trucks.

Do not stand on the right or left side of a truck.

The vehicle is very big. The driver cannot see you.
